Reply to your inquiry about E 551c Kiselgur

The Danish Plant Directorate can hereby confirm that Danish organic feed producers and farmers are permitted to use your product E 551c Kiselgur. The organic feed producers and farmers may use the product observing the same guidelines as the non-organic farmers.

We have studied the forwarded documentation and find that the content of the product is included in the positive list in the Council Regulation (EEC) No 2092/91¹. However, the council regulation is dynamic and continuously updated. You are obliged to follow the development in the regulation closely. The permission is granted on the condition that the content of the product always is in accordance with the Council regulations.

If you have any questions, you are welcome to contact us on telephone no. +45 4526 3609, e-mail: sok@pdir.dk.

Yours sincerely

Kim Holm Boesen
